Dated this the 13th September, 2007

JUDGMENT

Petitioner retired as a Conductor on 30.4.2004. He has approached this Court praying for payment of the entire retirement benefits due to him including pension commutation and DCRG. It is stated that the petitioner's son availed a loan and he is studying abroad. It is contended that interest is accruing. I heard the learned standing counsel appearing on behalf of the respondent Corporation. He points out that the petitioner retired on 30.4.2004 and payments have been made in accordance with seniority to persons who have retired upto December, 2003. Having regard to all facts, the Writ Petition is disposed of directing the first respondent to disburse the entire amounts due to the petitioner as DCRG and Commuted Value of Pension within a period of five months from the date of production of a copy of this Judgment, unless it is paid earlier in accordance with seniority.
